

RICH RED BLOOD

You Will Never Have It as Long as You Have Dyspepsia.

Just as long as you have dyspepsia your food will not properly digest, and the nutritious elements in the food will not be extracted or absorbed, and impoverished or watery blood will follow.

This condition may not be apparent at first, but it will come just as sure as the sun will rise again. Any stomach ailment, including all forms of indigestion, can be promptly cured by using Mif-o-na tablets, a scientific treatment unsurpassed. It stops fermentation, belching of gas and taste of sour food almost at once.

The mighty power of Mif-o-na to invigorate and restore the stomach to perfect condition is known everywhere. Mif-o-na cures by building up—by banishing the cause. For thin people it is a great flesh builder, because it causes the stomach to give more and purer nutrition to the blood. It cures sea and car sickness and vomiting of pregnancy almost immediately. The Lee & Osgood Co. sells Mif-o-na for 40 cents a large box, and guarantees it to cure or money back.

HYOMEI

CURES CATARRH, ASTHMA, Bronchitis, Croup, Coughs and Colds, or money back. Sold and guaranteed by THE LEE & OSGOOD CO.

STORRS COLLEGE TRUSTEESHIP

Probability of Changes this Year—Many Candidates for Appointment—Killingly Co. Wants Charter Changed—Methodist Camp Ground Association Petition.

(Special to The Bulletin.)

Hartford, Feb. 4.—The stockholders of the Storrs Hill Reservoir company, whose plant is in the town of Killingly, have been in a rather bad fix by reason of a mistake made at the time the charter of the company was drawn; and, in fact, and have asked the legislature to straighten matters out for them. The situation was explained this afternoon to the joint committee on incorporations by Judge Harry E. Back of Danielson.

It seems that the charter was drawn by a young and inexperienced attorney, to use Judge Back's words, and he included a section which holds the stockholders personally liable for any debts incurred by the corporation, in effect wiping out one great advantage of forming a corporation. The provision for this included the right to assess the stock to pay debts. There was consternation among the stockholders when this state of affairs was discovered. Some of them went to New York and formed a holding company to take over their interests and others transferred their holdings to irresponsible persons in order to escape the operation of this remarkable charter provision.

Now, the company comes to the legislature and asks that its charter be amended by a substitute provision which would hold stockholders liable for ordinary expenses, but not extraordinary ones. The substitute goes farther than the general law in regard to this point. "Why, I am greatly surprised that there should be any such provision in any charter in use in this state," remarked Senator Barnum when Judge Back had concluded. In the course of the executive session held by the committee after the afternoon's hearings were finished it was voted to report this charter amendment favorably.

Trusteeship at Storrs.
The introduction of several resolutions naming gentlemen for trustees of the Connecticut agricultural school in the senate Wednesday, opened up a matter which is likely to provide considerable interest during the first part of the present session. One of the trustees at present in office and their terms on July 1, this year, George S. Palmer of New London, B. C. Patterson of Torrington and Charles C. Willimantic. Mr. Palmer is the vice president of the board. It is freely asserted about the corridors of the capitol that he stands no chance of reappointment whatever because of certain occurrences of the last state campaign and a number of gentlemen are anxious to succeed him.

That either Mr. Patterson, who is a strong grange man, and former state master, or Mr. Capen will be replaced is not probable, though, of course, the matter is in the hands of the senate. At all events, there have come forward five candidates for places on this board, as follows: Col. Charles M.

MASSACHUSETTS CONGRESSMAN TO SPEAK ON LINCOLN.
Centenary to Be Observed at Y. M. C. A. Sunday—Hon. Robert Luce Will Make Address.

By arrangements completed by the religious committee, the Young Men's Christian association will be the first of the local organizations to celebrate the Lincoln centenary, which is celebrated on Lincoln Sunday, Feb. 7th, and not on the anniversary of the great American's birth, Feb. 12th. The programme will be made up of several musical numbers of high merit and an address by Hon. Robert E. Luce of Somerville, Mass. Invitations have

HON. ROBERT E. LUCE.

been extended to the men's leagues of the different churches of the city, to Sedgwick post of the G. A. R., the local Coast Artillery companies, the Major R. S. Griswold command of the Spanish War Veterans, and Sedgwick camp of the Sons of Veterans.

The association feels very much pleased that it has been enabled to secure a speaker of the reputation and ability of Mr. Luce. He is a prominent political figure in the state of Massachusetts. Mr. Luce was born in Auburn, Me., in 1862, is a Harvard graduate, is an editor and publisher, being the owner of a press clipping bureau in Boston, and a member of a Boston law firm. He has been a member of the Massachusetts house of representatives since 1899, during which time he has served on many important committees; but for the larger part of this time he has been chairman of the committee on election laws. The system of voting in Massachusetts, acknowledged as the best in the country, is due to his efforts in a very large degree.

Mr. Luce has been a leader in the house on all moral questions; he has been the chief advocate of the temperance and anti-Sabbath breaking laws. He believes in the ballot and caucus reforms, in all manner of checks on the lobby, and in giving the voters the right and the opportunity of expressing themselves on questions of public policy; in other words, he would be classified as a reformer. His motives in the advocacy of his many measures have never been questioned by his bitterest opponents; he has always been accredited as a legislator of conscience and conviction.

As an orator, it is not an exaggeration to say that he is second to none; in fact, that identical statement was made to the officials of the Y. M. C. A. by Representative Ernest E. Hobson, member of the same house, who spoke in Norwich the first part of December. He is a man of marked ability as a speaker, possessing an unlimited vocabulary, an analytic mind, and an ease and grace of diction. Mr. Luce has likewise been the scholar of the house. His book on journalism is pretty much a classic. He is, indeed, that rare combination, the public man who writes as well as he talks and who talks as well as he writes. Last fall he tried of the republican nomination for lieutenant governor of Massachusetts, it being a three-cornered fight between Frothingham, the ma-

Jarvis of Berlin, who was a member of Governor Woodruff's senate, Senator Joseph W. Alsop of Avon, and William I. Allen of Ledyard, and Messrs. Patterson and Capen, and resolutions naming each of these gentlemen were introduced in the senate on Wednesday morning.

These resolutions go to the committee on senate appointments, where there will be a fight over the matter, and are then referred back to the senate, favorably or unfavorably, as the case may be, for action, giving a chance to the men who are defeated before the committee to make another fight. Interesting developments are limited at.

Willimantic Camp Ground.
District Supt. J. H. Newland appeared before the joint committee on incorporations Wednesday to explain the situation in which the Willimantic Camp Ground association finds itself because of the neglect of its secretary to file the doings of the association with the proper officers during the past thirty years or so. In order to have its acts legal, when they involved any change in constitution or by-laws, it is necessary for a corporation of this character to file information regarding them with the town clerk of the town of Windham, in which the property of the association is situated, and the secretary of state. This has never been done, and the result is that for years the camp meeting association has been unable to legally hold the property which is in its name and is not legally the owner of it now, if any person chose to contest the point, according to an opinion rendered by its own attorney, and which seems valid to the legislators who heard the matter today. The resolution which was introduced to cover this point is a healing act and validates the "organization of the Willimantic Camp Meeting association and its official acts."

In the course of its executive session after the hearings of the afternoon were over the committee voted to report the resolution favorably and there is no reason to doubt its final passage and at a somewhat early date.

Electric Companies' Charters.

Two charter matters for electrical companies of interest to eastern Connecticut were introduced in the house Wednesday morning, one being the petition of Representative F. H. Rockwood of Franklin for a charter giving the power to generate and sell electricity and the other the resolution amending the charter of the Borough of Jewett City in connection with its electric light plant so as to permit it to sell light to the rest of the town of Griswold.

In the general bill making appropriations for the fiscal year 1909, a part of the state there is an appropriation of \$5,000 for the Day-Kimball hospital in Windham county.

chase candidate, Speaker Cole of the house, and Mr. Luce. Frothingham won the nomination, needless to say; but Mr. Luce showed surprising strength, especially in the smaller localities, who knew him only because of his burial stand upon the reformative measures introduced in the house. The association is confident that it has never presented a stronger man and speaker to the men of Norwich, and it is very doubtful if it will be able to ever do so.

YANTIC HAPPENINGS.

Members of Woman's Guild Hold Tea and Sale, Followed by Entertainment.

On Thursday, from four o'clock in the afternoon until ten o'clock in the evening, the Woman's guild of Grace Episcopal church held a most successful tea and sale at the hospitable home of Mr. and Mrs. Arad R. Manning. The house presented a very attractive appearance, being brilliantly lighted. A large number attended. The collation consisted of sandwiches, cake and coffee, served in the pretty dining room.

A table of fancy articles was the center of interest and a good sale was realized from this. Another interesting feature of the evening was the picture advertisements, a penny a chance being given to guess correctly what advertisement the picture represented.

During the evening Mrs. Marcus J. Simpson was heard in a number of delightfully rendered piano and vocal solos. Miss Lois Manning pleased much with a spirited recitation and Miss Louise Pratt was especially pleasing in a number of vocal solos. Other participants in the programme were Mrs. Howard Bishop, in skillfully played piano selections, and Miss Bertha Weeks, Leslie Scholough, Eugene Manning and Frederick Manning, who gave sincere pleasure to their hearers with piano solos. Mrs. William E. Manning held the closest attention of the audience while she gave a number of recitations in her usual finished style. Miss Anna Engstrom was in fine voice and delighted all by her songs. All attending enjoyed the affair owing to the zealous efforts of those in charge.

Edith M. Candy found a ready sale during the afternoon and evening.

Those Corpuscles

In your blood, — red and white, — keep you well if they are healthy, cause you sickness if diseased.

To make and keep them abundant and healthy, is to have pure blood, freedom from disease and vigorous health.

The chief purpose of Hood's Sarsaparilla is to do this, and its success is attested by thousands of wonderful cures. Cures of all blood diseases, scrofula, eczema, rheumatism, catarrh.

Get it today in the usual liquid form or in chocolate tablet form called Sarsatus.

FOR PIMPLES, TOO

New Discovery Cures Eczema and Eradicates Minor Skin Troubles Overnight.

A few months ago the dispensers of poslam, the new discovery for the cure of eczema, decided to allow the druggists of the country to handle it. Previous to that time it could only be obtained direct from the laboratories.

Since this change in the method of distribution, poslam has met with the most phenomenal success of anything introduced to the drug trade in the last 20 years. All leading druggists, including Lee & Osgood and Smith's Drug Store in Norwich, are now carrying the special 50-cent size recently adopted, also the \$2 jar.

This great success is not surprising when it is remembered that, in eczema cases, poslam stops the itching with first application, proceeds to heal immediately, and cures chronic cases in a few weeks. In minor skin troubles, such as pimples, blackheads, acne, herpes, blotches, rash, etc., results show after an over-night application. Experimental samples of poslam are sent to anyone by mail free of charge, by the Emergency Laboratories, 32 West Twenty-fifth Street, New York City.

Poslam is also on sale in Putnam at Larue's; in Danielson at Woodward's; and in Willimantic at Chesebro's.

Rockville.—The marriage of John Kynock and Miss Jessie Hudson of Columbus, O., took place at the home of the bride's parents that city Jan. 27. Mr. Kynock is a son of Mr. and Mrs. Kynock of West street and left home a few years ago.
